NEWS LETTER

JANUARY 2018

A WORD FROM THE
MANAGING PARTNER
JACK NICHOLS

Dear Investor,

Interest in owning mineral rights is sweeping the investor nation. Stay tuned in the coming weeks as we unveil a new mineral rights investment opportunity for accredited investors. Check out our blog to learn the difference between mineral rights and drilling operations investing, and how each could benefit you and your family.

On Our Blog:

Much of what we do at Redhawk Investment Group centers around educating people about, and helping them to invest in, advantageous oil and gas investments, which include drilling programs and the ownership of mineral rights. Both types of investment projects have their benefits.
